Preparing to use NEMLUVIO

Learn how to self-inject at home

Before starting injections at home, you and a dermatologist will review the NEMLUVIO Instructions for Use together and make sure you feel comfortable using the prefilled pens. If you need additional support, a GPS for NEMLUVIO Nurse Navigator is always there to help.

Understand your storage options

NEMLUVIO may be stored at room temperature up to 77 °F (25 °C) for up to 90 days, making it easy to take on the go. Be sure to mark the date after NEMLUVIO is removed from the refrigerator.

NEMLUVIO may be stored in the refrigerator at 36 °F to 46 °F up until the expiration date.*

Stay on track with ongoing support

Talk to the GPS for NEMLUVIO support team about resources and support you may want beyond your first dose.

*Always check the expiration date and avoid using if expired.

3 steps to a successful start

STEP 1

Complete your enrollment with GPS (Galderma Patient Services) for NEMLUVIO™

Once you complete enrollment online or over the phone, you'll learn about which programs you may be eligible for including **Quick Start**, \$0 Co-Pay, and/or the Patient Assistance Program.

TIP! Sign up to stay in touch at nemluvio.com/stay-connected. You'll receive ongoing treatment tips as well as a Welcome Kit that helps explain useful services, skincare tips, and more.

STEP 2

Expect a call from a Nurse Navigator

A Nurse Navigator will contact you in the days after enrollment to answer any questions about NEMLUVIO. They can even come to your home and show you or your caregiver how to prepare and inject NEMLUVIO.

TIP! Help build confidence as you learn to self-inject by watching the step-by-step injection video at nemluvio.com/injection-support.

STEP 3

Get your first shipment delivered to your front door

Your dermatologist will work closely with the pharmacy specially contracted to distribute NEMLUVIO to set up your prescription and refills. This Specialty Pharmacy will ship your treatment directly to your home address.

TIP! A Nurse Navigator can help you set up shipments and refills for NEMLUVIO and answer any questions you have as you continue your treatment.

GPS for NEMLUVIO is here to support you

Understanding Financial Assistance

Your GPS for NEMLUVIO support team will help you understand which insurance and financial support may be right for you.

Quick Start

If you are commercially insured and are experiencing insurance delays due to the authorization process, you may receive dose(s) of NEMLUVIO free of charge.†

Co-pay as low as \$0

If you are commercially insured, you may be eligible to pay as little as \$0† a month for your NEMLUVIO prescription.

Patient Assistance Program

Gain access to NEMLUVIO if you don't have insurance or if insurance is unable to cover treatment.

Connecting With a Nurse Navigator

A Nurse Navigator is available to help you manage your treatment successfully by providing:

- Support for starting NEMLUVIO, including virtual, in-person, or over-the-phone injection training
- Answers to any questions you have about treatment
- Quarterly checks-ins upon request to help you track progress
